Terms and Conditions of Use

Registration

Registration is required in order to generate a user name and password, and can only be initiated on receipt of a fully completed booking form and purchase order, and should include an authorising signature, which confirms acceptance of these Terms and Conditions of Use.

If a booking form is returned electronically, then inserting the bookers name into the signatory box will be confirmation of acceptance of these Terms and Conditions of Use.

Usage of the App

This App has been developed specifically for ARCA and is available for the Association's Full Contracting Members to use for internal audits.

Registration is restricted to authorised employees of Full Contracting Members only.

There is no restriction on the number of registered users per Full Contracting Member, although each registered user requires a separate booking, registration process and user fee.

Registration is transferrable to another user within the registered user's company. However, registration cannot be transferred with an individual moving to another company.

The user is not limited to the number of audits that can be conducted during the period of registration. All audits conducted by the registered user(s) will be classed as '*internal audits*' for the registered user's company, and are outside the scope of the ARCA Site Audit Accreditation Scheme. ARCA is not obliged to assess or grade these 'internal audits', though advice may be provided on an individual basis as required.

Payment Terms

The fee charged per registered user is for a minimum three-month period (calendar month), and is automatically renewed unless cancelled in writing to the ARCA Membership Department.

An invoice will be raised at the beginning of the registration period. No refunds will be payable for cancellations made by the registered user or registered user's company midway through a registration period. Payment is only accepted in UK pounds sterling, with vat added at the current rate. Payment may be made by direct bank transfer to the 'ARCA Ltd' bank account (details available through the Membership Department or Accounts Department), by cheque (payable to ARCA Ltd). If payment is not received with the 30-day payment term access to the App will be blocked until payment is received.

Renewal - an invoice will be raised and sent out 1 month before renewal is due, dated as the first day of the renewal, with 30-day payment term required. Non-payment of the renewal fee may result in blocking the user from access to the App until payment is received.

Should a company cease to be an ARCA member any registrations associated with the company will be cancelled by ARCA. The company shall be entitled to a refund on a pro rata basis of any complete unused months remaining.

Confidentiality

Both ARCA and the software developer have some administrator access, and some personal, company and audit information is accessible. Any information accessed or obtained will be used for the sole purpose of providing the service required, and will not be shared with any other third party for any reason. No user from any other organisation will have any access to personal, company or audit information relating to any other company.

Unforeseen Circumstances

ARCA shall not be liable to the registered user's company for any delay or for the consequences of any delay in performing the obligations under this agreement if such delay is due to any cause or circumstance beyond ARCA's reasonable control. ARCA shall not be liable for any losses due to technical difficulties arising from the use of the App that are beyond ARCA's control.

Any breach of these Terms and Conditions of Use will result in immediate termination of the provision of this App.
